# 2015 Open Doors Trolley Map

## About Open Doors Trolley

Two trolleys circulate the same route between the hours of 5pm and 8pm, stopping at each location about every 30-40 minutes. You may get on and off the free trolley as you wish and stop at the places you wish to see. All of the trolley stops are open free to the public on trolley night and most have special events and promotions planned specifically for the trolley night. Most venues are within walking distance of each other, and you are also welcome to drive or walk the route at any time.
